

New to Canada? Trained in health care?

Workplace Communication Skills for Health Care

A new work-oriented language course offered for **FREE** to newcomers

This practical and innovative course will help you:

- Understand health care workplaces in Ontario such as hospitals, clinics and nursing homes
- Clearly and effectively interact with colleagues, clients and supervisors
- Develop strong interviewing, networking and career-building communication skills

Learn how to communicate well in the workplace through:

- Role-playing exercises
- Dialogue practice sessions
- Simulations of common on-the-job experiences

This course is for you if:

- You have training or experience in:
 - **nursing**
 - **personal support work**, or
 - **dental hygiene**
- Your English is at an **intermediate level** (Canadian Language Benchmarks 6 to 8)
- You are a **permanent resident** or **protected person**
